Cancellation & Broken Appointment Policy

It is to the benefit of all our patients and our staff to know when someone is unable to attend their scheduled appointment. When you make an appointment, we will consider it a verbal contract between us. We will attempt to confirm your appointment 2 days prior to your scheduled time. For appointments that are scheduled for 2 hours or more we may request a call back for confirmation.

We do require at least **2 full days** notice to cancel or change your appointment, this will allow adequate time to schedule another patient in your appointment slot.
Any broken or failed appointment without the requested 2 Full Day notice will be charged a fee of $25. **Longer appointment times may be charged a per hour fee.

Thank you for your acknowledgment and consideration.

Dr. Aaron Layton DDS

Financial Policy and Payment Options

Layton Family Dental strives to offer convenient payment options while at the same time maintaining the high standard of comprehensive dental care that our patients deserve. At the onset of treatment, we will provide you with an **estimate** of your total costs. Please understand that this will only be an **estimate**. If the need for additional treatment arises during the course of the original treatment plan the fees could change. *Be assured that we will notify you of fee changes and obtain your approval prior to proceeding with treatment.*

Our primary goal is to help you maximize your dental insurance benefits. As a courtesy, we are happy to to bill your dental insurance on your behalf. Please remember that the contract itemizing your dental benefits is between you, your employer and your insurance carrier. We only bill your insurance as a convenience for you. **Regardless of coverage, your estimated co-payment is due in full the day of treatment.** Any insurance claim not paid in full after 60 days will become your responsibility. Should the insurance pay at a later date then you will receive a refund check. Also remember that dental insurance plans are not designed to cover all of your dental expenses.

We accept most major credit cards, as well as checks and cash. We are also pleased to offer our patients an extended monthly payment plan option through a dental financing company. **CareCredit.** is able to extend credit for up to **6 months at 0% interest.** This must be arranged prior to receiving any treatment. Please ask our patient coordinator for an application or more details and a brochure with instructions on how to apply.

I authorize the dentist to release any information including the diagnosis and the records of any treatment or examination rendered to me and/or my child during the period of such dental care to a third party payer and/or health practitioners. I authorize and request that my insurance company pay directly to the dentist and/or dental group insurance benefits otherwise payable to me.

Furthermore, I accept full financial responsibility for this account and for all dentistry performed upon me and my dependents in this dental office. I understand that it is up to me to confirm my insurance eligibility, waiting periods, and benefits. I also understand that this office cannot guarantee my insurance status in these areas. Any insurance estimate or information given to me by this office is not a guarantee of of actual insurance payment. I also understand that any insurance claim not paid in full after 60 days will become my responsibility to pay at that time. **Any balance on my account after 60 days will accrue a 1.5% per month finance charge.**
